Aklavik, Ft. McPherson, Inuvik, Paulatuk, Sachs Harbour, Tsiigehtchic, Tuktoyaktuk, Ulukhaktok

Re: COVID 19 Aklavik

January 6th 2022

Moose Kerr School Parents/Guardians:

The Office of the Chief Public Health Officer (OCPHO) is the lead in all matters of public health, and as such the Aklavik District Education Authority and the Beaufort Delta Divisional Education Council are following the direction given by the OCPHO to keep Moose Kerr School closed January 10th through January 21st 2022.

I want to emphasize that every school in the NWT has safety guidelines in place that were approved by the Office of the Chief Public Health Officer (OCPHO) and that these measures are in place to limit the introduction and transmission of COVID 19. I would like to acknowledge the efforts that our students, families and staff have made to keep schools safe thus far. Recognizing, however, that the COVID 19 situation has potential to grow, the OCPHO, has made the decision to temporarily shift to remote learning in Moose Kerr School in Aklavik. We are tentatively scheduled to reopen on Monday January 24th 2022.

If anything changes, you will receive notification directly from the Moose Kerr School admin Team. Superintendent Devin Roberts of the Beaufort Delta Divisional Education Council can also be contacted at droberts@bdec.nt.ca or 867-678-5304.

Principal Dan Summers has posted on the MKS site times in which parents can pick up the Panbio testing kits for COVID 19 screening. Please drop by the school (or phone: 867-978-221) between 11:00 am and 1:00 pm to arrange for pick-up.

The Beaufort Delta Divisional Education Council is in regular contact with the Department of Education, Culture and Employment to ensure that all necessary steps are followed to keep our students and staff safe and provide additional resources, such as technology, to support learning.

Please continue to practice social distancing, and wear masks. Be safe everyone.

Mahsi Quyanainni Quana

Devin Roberts
